Indiana Partners Members & Brazilianistas:

PLEASE HELP WELCOME

Capitan Moggar Mattos *and*
Capitan Araujo Souza

The capitans (from the Brazilian *Brigada Militar* or National Guard) are here reviewing the security arrangements for the 2012 Super Bowl in Indy. They will help direct World Cup security in Brazil in 2014. They are staying at Ms. Anita Johnson's place this week.

Jhani, Rosane, and the IN Partners' Board
invite you to a Partners' Happy Hour at the
City Market's Tap Room in downtown
Indy

5:30pm - 7:00pm on Wednesday, February
1st.

We will treat the first 25 people to \$1 off on their first drink!

Simple: No cover charge, no band, nice music, great Brazilian company for having a beer, a glass of wine, or a soda.

The **City Market's Tap Room** is located at **222 E. Market St. (@ Market St. & Delaware St.)** across the street to the north of the City-County building. Parking is available just EAST 1 block at NE corner of Alabama St. & Market St. (where the old Market Square Arena stood before it was torn down several years ago).

PARKING PRICES for this specific lot (owned by the City) is only \$10.00/carload or \$2.00/person. Other lots are charging at least \$20/car this week due to the Super Bowl being in town. The city has bagged over 2,000+ meters this week. So, you won't find many on-street parking spaces available this week. Sorry . . .
